Company Notes:

Chef Grant Couser creates a unique line of fresh dressings and sauces. Whenever possible he uses locally grown fruits and herbs to prepare these delicious recipes. Professionally, Grant has cooked in many restaurants from award winning fine dining to casual high volume. Grant studies at renowned Dubrulle Culinary School in Vancouver, BC. He and his wife Hilarie now own and operate Whistler Cooks Catering Company, Whistler's premier catering company. Grant enjoys his role with the Whistler Farmers Market as a vendor and director for five years, currently serving as President. This role has fostered a more informed approach to food and our customer with the best products we can provide. Grant and Hilarie, with their love of life in the mountains, are the spirit behind our food that has grown to encompass the local ingredients in the refinements of a French classical background mixed with the Pacific Rim's Asian and Northwest flavours. All of our recipes are prepared in our commercial kitchen. Extreme care is taken to prepare our recipes in a low risk manner. We do prepare fresh sauces and as such these products do require refrigeration or chilling. We are an approved facility by the Coast Garibaldi Health Unit and all staff have extensive training and in particular food safe training. All products labels contain ingredients, handling instructions and a best before date.
