Website: <http://www.firstnaturefarms.ab.ca>

Address:

Box 123

Goodfare, AB

T0H 1T0

Regions Supplied: Lower mainland Peace

Company Notes:

First Nature Farms has been providing certified organic meats to restaurants and retail markets in Vancouver for the past 12 years. The farm is located along the BC border up in the Peace Country and has been certified organic since 1990. Operated as an ecological reserve, First Nature Farms is home to many endangered species including trumpeter swans, grizzly bears, and river otters. The goal has always been to protect and enhance its natural biodiversity.
