### Company Notes:

Pilgrims' Produce is committed to growing certified organic fruits and vegetables by sustainable methods to steward the land as best as possible for future generations. We prefer to sell directly to the consumer at farmers' markets (Vernon and Armstrong) and through our Community Shared Agriculture box program. We also offer u-pick strawberries. We have begun to develop a temperate, edible forest garden that will include fruit trees (plums, cherries, apricots), nut trees, and minor berry crops (e.g. saskatoons, choke cherries) using an agroforestry model.

### Products Available:

#### Certified Organic Vegetables - Fall Summer

In season, asparagus, broccoli, chard, potatoes, tomatoes, sweet peppers, English cucumbers, onions, squash and more. Cert. NOOA 04007.
