Company Notes:

Our Berkshire hogs are raised naturally outside in the fresh air and sunshine, allowed to run around and root about in their large wooded pastures. We never barn or confine our pigs at any time, our sows farrow naturally in large shelters, not farrowing crates. We feed local, non-GMO grains, alfalfa hay and milk from our homestead jersey cow. At no time are hormones or artificial growth enhancers fed, and we do not administer preventative antibiotics. Our pigs are raised humanely and naturally, keeping them happy, and therefore healthy. Our sausages and smokies are gluten and msg free, no fillers or binders. They are processed locally. All of our meat is government inspected, and processed in an inspected facility. We are proud to offer Berkshire pork packs for sale as well as whole and half Berkshire.
