### Company Notes:

Little Creek Dressing is a homemade artisan dressing/sauce/marinade that I developed in 1995 as a "value-added" product to complement the organic gourmet salad greens which are grown on our certified organic farm, Little Creek Gardens.

The delicious & unique tasting Original, tantalizing Spicy Strawberry and delightful Cherry Balsamic Dressings are produced on site in our commercial kitchen on our farm located on the West shores of Okanagan Lake near Kelowna, BC. Each recipe was created by myself, Donna Denison, and includes fresh and natural ingredients as well as some organic products.

All of the vinegars used in the dressings are made at Little Creek using my own formulas. The dressing labels include my drawing depicting the dawn touching the mountains and lake in our beautiful Okanagan Valley. This important element of my packaging shares with the consumer a feeling of the pristine beauty of this very special place, Little Creek.

Cabernet Sauvignon Red Wine vinegar made in the traditional Orleans method. Using high quality carbernet sauvignon grape juice we create the wine without any additives. The vinegar is further aged in oak for an additional 3 months then bottled into 200ml retail and 750ml food service bottles. Creating vinegar in the slow process of the Orleans method retains the flavour and body of the wine making a savoury vinegar that is delicious in dressings, marinades, reductions, and deglacing. No additives are used in the entire process.
