Regions Supplied: All of BC

Company Notes:

Taste Buddies Miniature Vegetables - these products are cool in appearance and make unique side dishes and snacks. They're easy to use and have many applications. Most of all, they are fun to eat!

Products Available:

Mini-Cucumbers - Year Round

These are the mini versions of the Long English Cucumbers that are smaller in size and diameter. The texture is a little crunchier, and the deliciously sweet flavour makes them excellent to snack on by themselves or in salads, cold vegetable platters or as garnishes. Kids love them!

Campari Tomatoes on the Vine - Year Round

Vibrant red, cocktail-sized tomatoes. They are hydroponically grown in greenhouses and are about 2" in diameter. These tomatoes offer vine-ripened, fresh flavour and are sold in clusters on the vine to ensure peak freshness and flavour.

Long English Cucumbers - Year Round

Seedless with a thin, deep-green, unwaxed skin that is never bitter. The skin adds crunch to the refreshing flavour. Long English Cucumbers are great for salads, sandwiches, salsas, dressings, dips, sauces, soups, garnishes and cold vegetable platters.

Roma Tomatoes on the Vine - Year Round

Long, almost egg-shaped tomatoes with firm, red, meaty flesh, very few seeds and skin that is easy to peel. High acid level makes them perfect for sauces, soups and salsas. Roma tomatoes on the vine are hydroponically grown in a greenhouse.

Sweetooth Peppers - Year Round

Long cone-shaped peppers with shiny, crunchy skins that cover thick, juicy walls. These peppers are sweeter than Sweet Bell peppers, and their tiny seed caps make them easy to cut into rings, enhancing presentation.
